- **Nature of the rebalancing by substitution event:** Extraordinary Event
 - ✓ **Affected Component :** LFIS Vision UCITS - Premia
 - ✓ **New component adopted by the Committee:** PIMCO GIS-INCOME FUND

Full Description :

This notice (the "Notice") concerns the NXS Best Fund Selection ER Index (the "Index"). All capitalized terms not defined in this Notice have the meaning given to them in the Index Rules.

Following the occurrence of an Extraordinary Event applicable to one component of the Index, i.e. the fund **LFIS Vision UCITS - Premia (the "Affected Component")**, the Natixis Index committee agreed to proceed with the rebalancing of the Index.

As a result, the Index committee decided to substitute the Affected Component and replace it by the following fund: **PIMCO GIS-INCOME FUND (the "New Component")**. The New Component, which is consistent with Natixis' effective risk criteria, was chosen so that the index keeps exposure to a diversified selection of mutual funds.

Date of rebalancing is effective from January 31th 2020.
